

# Weekly Inspirations for Little Dreamers

E-Newsletter: Information & Activities to keep their "little lights" shining

## Remarkable Little Dreamers!

What's the perfect word to describe kids who can articulate their thoughts through art? Remarkable is the word! In an art lesson this week, we drew a knight. The 4-8-year-olds followed my step-by-step process, engaged socially, and did a great job illustrating the knight in his shining armor. After we completed the character, they used their imagination to create the setting. This creative time always opens a fresh new perspective of ideas and enchantment. Enjoy the remarkable artwork by one little dreamer on the next page.

Got a little dreamer? Sign them up! This week, we create art using characters 4, D, and a shape. See [the intro video and enroll here](#).

My 8 year old son absolutely loved this class! This is the first art class he's taken and at the end of the class he was bursting with excitement and pride over the drawing he'd done. He asked to sign up for all of Mr. Sterling's classes.. – R. S.
