FABOULOUS LITTLE DREAMERS

In keeping with our Halloween theme this month, we want to share a fun fact with all of the fabulous kids who might be curious about the origin of this holiday. **Fun Fact: *This spookiest day of the year began more than 2000 years ago in Europe.*** There will be a full moon out this year, the first on Halloween in two decades (20 years). Having a full moon sets the mood for trick-or-treaters. It's also a fabulous backdrop for parents to read a bedtime story to close out the evening with your little dreamer.

Got a 4-8-year-old? Sign them up for my online art classes! This week, we'll create Halloween art using characters 7, G, and a shape. See [the intro video and enroll here](#).

5★Reviews!!

A Refreshing teacher who seems to truly enjoy children and creativity. Really nice to have a male teacher of color for my son to connect with and learn from. An excellent role model with a kind smile and encouraging teaching style. My son taught two family members what he learned in class. – K. T.
